Dear Parent/Guardian:

T'iisTs'oozi Bi'Olta and all BIE schools will remain closed until further notice. Central Office (BIE) will issue an official notification regarding school closure. The notification will be sent when it becomes available and post on our school website.

Grab n Go lunches will continue for community students 18 and under from **11:00am-12:30pm, Monday-Friday**. Please wait your turn practicing social distance at all times.

Similar to state schools on academic continuity for students, BIE schools are provided guidance on meaningful ways to remain connected with students during COVID-19 pandemic. Delivery of learning may include printed material, virtual instruction, email, phone contact and/or a combination of several to support our students.

In the next few days, you may hear from your child's teacher inquiring about how to best support your child including internet connectivity in your home to tailor continuity of learning. You are encouraged to participate in planning with the teacher to support your child(ren).

Alongside continuity of learning, please be informed BIE schools has been approved to waive PARCC and Alternate assessments.

I will continue to communicate through **ONE CALL NOW** and follow-up with a letter. Stay safe!

Sincerely,

Virginia Jumbo, School Principal & Critical Mission Staff
